## Ideas for Practice Activities with Flashcards No. 2

- **Perform in Rondo Form.** Place cards in a column on the board to create the form ABACA and write the letter in a 'form' box to the left of each card. Perform.
  - **Memorise:** Remove firstly the A phrase (as it is the repeated pattern) and perform the entire sequence from memory. Gradually remove the other patterns until the entire sequence is memorized
  - **Write from memory:** Students write the sequence in their notebooks from memory
  - **Write from memory:** Ask selected students to re-write one pattern each onto the board in the correct order
  - **Inner Hear:** Sing all elements except one (all the ta's or all the mi's) keeping it 'in your head'
  
- **Canon:**
  - Teacher vs Class: Perform the rhythm 4 beats behind the teacher, then 2 beats behind, then 1 beat behind.
  - ½ class vs ½ class
  - small group vs small group
  - pairs
  - simultaneously as individuals on alternate thighs
  - \*\* Initially trial this activity with very simple rhythmic patterns
